Yours For Better Postal Service . . .

IN THE VALLEY OF THE MOON

Well . . . Well . . . Well . . . Everything happens for the best . . . Even in the Postal Department . . .

We were sorry to learn that the Postal Department plans to merge the Boyes Hot Springs Post Office with the Sonoma Post Office, since so many of the local citizens are against the move, but everything happens for the best . . .

One thing we can say good about this move, is the fact the Sonoma Post Office keeps its lobby open so the boxholders who pay rent on their boxes can get their mail after regular working hours.

We have never seen any good reason for locking the lobby at 7 p.m. every night. And to make things worse to have it locked over the entire weekend . . .

If this merger will unlock the lobby door, we are for it! ! !
